

How To Prevent AOL 9.0 From Filtering CM/ECF Notices Of Electronic Filing E-mails

You need to add the Court's e-mail domain to your Address Book or Custom Sender List:

1. Click the "Spam Controls" link (lower right area of your inbox).
2. When the "Mail & Spam Controls" box appears, click "Custom sender list".
3. Choose "allow email from" option
4. Add "nynd.uscourts.gov" (Without the quotes).
5. Click "Add", then "Save".
